Assessment boundary

Course	Task	Due	Weight	Outcomes	Status
Preliminary	1. Research Assignment	Term 1 Week 10	35%	P1.1, P2.1, P2.2, P5.1, P5.2, P5.3, P6.2	confirmed-current-2026
Preliminary	2. Camping Environment	Term 3 Week 5	40%	P1.1, P4.1, P4.2, P4.3, P5.1, P5.2, P5.3, P6.1, P6.2	confirmed-current-2026-with-issue-date-conflict
Preliminary	3. Examination	Term 3 Weeks 9/10	25%	P1.1, P2.1, P2.2, P3.1, P4.1	schedule-confirmed; formal-notification-teacher-to-confirm
Hsc	1. Innovation & Emerging Technology	Term 4 Week 9	30%	H1.2, H2.1, H2.2, H3.1, H3.2, H5.2, H6.2	confirmed-current-2026
Hsc	2. Design Production Folio Progress	Term 1 Week 5	20%	H4.1, H4.2, H4.3, H5.2, H6.1	current-handbook; task-notice-issue-date-conflict
Hsc	3. Folio & Video Presentation	Term 1 Week 8	20%	H4.1, H4.2, H4.3, H5.2, H6.1	current-handbook; task-notice-version-date-conflict
Hsc	4. Trial Examination	Term 3 Weeks 2/3	30%	H1.1, H1.2, H2.1, H2.2, H3.1, H4.2, H4.3, H5.1, H6.2	current-handbook; formal-notification-teacher-to-confirm

The Task 1 H1.1/H1.2 source conflict must be resolved before reuse.

Teacher to confirm register

ID	Item	Owner	Due before
TTC-01	Actual class timetable and conversion of 120 indicative hours into local periods	Head Teacher/teacher	Program registration or first delivery
TTC-02	Current Schools Online MDP submission date and all school progress-check dates	Teacher/HSC coordinator	Publishing dates to students
TTC-03	Approved project scope, facilities, tools, materials, PPE, WHS controls, off-site work and outside-assistance arrangements	Teacher/faculty	Any practical or production activity
TTC-04	Task 2 issue date conflict between the 2025 issue line and 2026 task use	Teacher/faculty	Reissuing Task 2 notification
TTC-05	Task 3 version and date conflict between filename and internal 2026 content	Teacher/faculty	Reissuing Task 3 notification
TTC-06	Final MDP checklist conflict between Wednesday 26 August 2026 and Thursday 27 August 2026	Teacher/HSC coordinator	Displaying an exact final submission date
TTC-07	Local academic-integrity and generative-AI instructions for each formal task	Teacher/faculty	Formal task issue
TTC-08	Program delivery year and syllabus decision if reused into the planned 2029 transition	Head Teacher	Any 2029 reuse
TTC-09	Exact cohort pairing for the 240-hour master, because the authorised Year 11 2026 and Year 12 2025/26 folders are not one confirmed cohort sequence	Steve/Head Teacher	Master document control freeze
TTC-10	Camping Environment issue date and eleven-week calendar: the notice states Monday 23 May 2026 although that date was Saturday	Teacher/faculty	Issuing or reusing the Camping task
TTC-11	Current Preliminary assessment-handbook submission, absence, extension and adjustment procedures	School assessment coordinator	Publishing assessment administration
TTC-12	Preliminary examination exact date, format, duration, scope and approved notification	Head Teacher/teacher	Formal examination notification
TTC-13	Kitchen Companion delivery window, printer/material workflow, food-contact or demonstration-only boundary, group evidence arrangements and approved practical controls	Teacher/faculty	Kitchen Companion practical work
TTC-14	Kids Toy intended age group, applicable safety standards, materials, tools and authorised evidence boundary	Teacher/faculty	Kids Toy practical work
TTC-15	Year 11 website relationship: no public site or a later authorised destination	Steve	Final site-map and library handoff
TTC-16	Assessment dates and weightings before reusing either unit beyond the confirmed cohort/year	Head Teacher	Any later-cohort reuse
TTC-17	Current approved individual adjustments and accessible equivalent response modes	Teacher/learning support	Before each affected lesson or assessment

ID	Item	Owner	Due before
TTC-18	Public rights and privacy for every image or document; student-named work, grades, responses and identifiable media remain excluded	Steve/course owner	Any public integration or release
TTC-19	Task 1 outcome-code conflict: the 2026 handbook schedule records H1.2 while the approved 2025–26 notification records H1.1.	Teacher/faculty	Reissuing or reusing Task 1 notification

Period-by-period teaching and learning sequence

Each row is one indicative planning hour. Convert to the actual timetable while preserving coverage, source authority, assessment boundaries and safe delivery.

P	Block / module	Focus	Outcomes	Teaching and learning	Evidence	Sources / TTC
1	Kitchen Companion launch	Course launch and design situation — site/theory	P1.1, P3.1, P4.1, P5.2, P5.3	Teach, model and discuss course launch and design situation using the authorised Preliminary source set.	brief analysis and an open problem statement	SRC-NESA-DT-SYL-2013, SRC-WWHS-Y11-KITCHEN-2026 TTC-17
2	Kitchen Companion launch	Kitchen need and constraint analysis — project/folio	P1.1, P3.1, P4.1, P5.2, P5.3	Apply kitchen need and constraint analysis to the current design record and explain the evidence-to-decision link.	need, user and constraint notes	SRC-NESA-DT-SYL-2013, SRC-WWHS-Y11-KITCHEN-2026 TTC-17
3	Kitchen Companion launch	Six Thinking Hats collaboration — practical	P1.1, P3.1, P4.1, P5.2, P5.3	Complete only teacher-authorised project work connected to six thinking hats collaboration and record what was observed; methods, equipment and controls remain teacher-controlled.	group thinking record with distinct perspectives	SRC-NESA-DT-SYL-2013, SRC-WWHS-Y11-KITCHEN-2026 TTC-03, TTC-17
4	Kitchen Companion launch	Group roles and communication — site/theory	P1.1, P3.1, P4.1, P5.2, P5.3	Teach, model and discuss group roles and communication using the authorised Preliminary source set.	role and evidence-management plan	SRC-NESA-DT-SYL-2013, SRC-WWHS-Y11-KITCHEN-2026 TTC-17
5	Kitchen Companion launch	Course launch and design situation — project/folio	P1.1, P3.1, P4.1, P5.2, P5.3	Apply course launch and design situation to the current design record and explain the evidence-to-decision link.	brief analysis and an open problem statement	SRC-NESA-DT-SYL-2013, SRC-WWHS-Y11-KITCHEN-2026 TTC-17
6	Kitchen Companion launch	Kitchen need and constraint analysis — practical	P1.1, P3.1, P4.1, P5.2, P5.3	Complete only teacher-authorised project work connected to kitchen need and constraint analysis and record what was observed; methods, equipment and controls remain teacher-controlled.	need, user and constraint notes	SRC-NESA-DT-SYL-2013, SRC-WWHS-Y11-KITCHEN-2026 TTC-03, TTC-17
7	Kitchen Companion launch	Six Thinking Hats collaboration — site/theory	P1.1, P3.1, P4.1, P5.2, P5.3	Teach, model and discuss six thinking hats collaboration using the authorised Preliminary source set.	group thinking record with distinct perspectives	SRC-NESA-DT-SYL-2013, SRC-WWHS-Y11-KITCHEN-2026 TTC-17
8	Kitchen Companion launch	Group roles and communication — project/folio	P1.1, P3.1, P4.1, P5.2, P5.3	Apply group roles and communication to the current design record and explain the evidence-to-decision link.	role and evidence-management plan	SRC-NESA-DT-SYL-2013, SRC-WWHS-Y11-KITCHEN-2026 TTC-17
9	Kitchen Companion development	CAD idea development — site/theory	P3.1, P4.1, P4.2, P4.3, P5.1, P5.2, P5.3, P6.1, P6.2	Teach, model and discuss cad idea development using the authorised Preliminary source set.	annotated digital development evidence	SRC-NESA-DT-SYL-2013, SRC-WWHS-Y11-KITCHEN-2026 TTC-17
10	Kitchen Companion development	Tolerance-trial reasoning — project/folio	P3.1, P4.1, P4.2, P4.3, P5.1, P5.2, P5.3, P6.1, P6.2	Apply tolerance-trial reasoning to the current design record and explain the evidence-to-decision link.	0.2 mm tolerance-trial record and conclusion	SRC-NESA-DT-SYL-2013, SRC-WWHS-Y11-KITCHEN-2026 TTC-17
11	Kitchen Companion development	Prototype and technical development — practical	P3.1, P4.1, P4.2, P4.3, P5.1, P5.2, P5.3, P6.1, P6.2	Complete only teacher-authorised project work connected to prototype and technical development and record what was observed; methods, equipment and controls remain teacher-controlled.	teacher-authorised progress record	SRC-NESA-DT-SYL-2013, SRC-WWHS-Y11-KITCHEN-2026 TTC-03, TTC-17
12	Kitchen Companion development	Group folio and evaluation — site/theory	P3.1, P4.1, P4.2, P4.3, P5.1, P5.2, P5.3, P6.1, P6.2	Teach, model and discuss group folio and evaluation using the authorised Preliminary source set.	selected evidence across the eight-page group folio	SRC-NESA-DT-SYL-2013, SRC-WWHS-Y11-KITCHEN-2026 TTC-17
13	Kitchen Companion development	CAD idea development — project/folio	P3.1, P4.1, P4.2, P4.3, P5.1, P5.2, P5.3, P6.1, P6.2	Apply cad idea development to the current design record and explain the evidence-to-decision link.	annotated digital development evidence	SRC-NESA-DT-SYL-2013, SRC-WWHS-Y11-KITCHEN-2026 TTC-17
14	Kitchen Companion development	Tolerance-trial reasoning — practical	P3.1, P4.1, P4.2, P4.3, P5.1, P5.2, P5.3, P6.1, P6.2	Complete only teacher-authorised project work connected to tolerance-trial reasoning and record what was observed; methods, equipment and controls remain teacher-controlled.	0.2 mm tolerance-trial record and conclusion	SRC-NESA-DT-SYL-2013, SRC-WWHS-Y11-KITCHEN-2026 TTC-03, TTC-17
15	Kitchen Companion development	Prototype and technical development — project/folio	P3.1, P4.1, P4.2, P4.3, P5.1, P5.2, P5.3, P6.1, P6.2	Apply prototype and technical development to the current design record and explain the evidence-to-decision link.	teacher-authorised progress record	SRC-NESA-DT-SYL-2013, SRC-WWHS-Y11-KITCHEN-2026 TTC-17
16	Kitchen Companion development	Group folio and evaluation — practical	P3.1, P4.1, P4.2, P4.3, P5.1, P5.2, P5.3, P6.1, P6.2	Complete only teacher-authorised project work connected to group folio and evaluation and record what was observed; methods, equipment and controls remain teacher-controlled.	selected evidence across the eight-page group folio	SRC-NESA-DT-SYL-2013, SRC-WWHS-Y11-KITCHEN-2026 TTC-03, TTC-17
