

Stage 5 Textiles Technology

Flexible 200-hour master teaching program | v2.0

Course	200-hour elective	Implementation	2027 early implementation
Timing	200 x 60-minute periods	Balance	45 theory 45 folio 110 practical
Syllabus	Textiles Technology 7–10 (2025)	Content	92 primary points; 24 site gaps
Status	Local network candidate	Authority	Teacher/faculty approval before delivery

[Official Textiles Technology syllabus](#)

Official Stage 5 outcomes

TT5-SAF-01	applies design processes and safe work practices to develop textile projects	TT5-COM-01	communicates ideas, concepts and processes for textile design and production
TT5-EVL-01	investigates and evaluates design inspiration sources and textile products	TT5-IVT-01	explains industry practices and innovative technologies used in textile design and production
TT5-CDT-01	investigates and applies construction and decorative techniques to create textile products	TT5-MAT-01	justifies the selection and use of materials and technologies for textile design and production
TT5-ENV-01	analyses relationships between textile design, production and sustainability		

Course control: The Year 9 and Year 10 source sequences form two interchangeable 100-period components. Audit numbering does not mandate which runs first. All 92 points are allocated; current site gaps stay visible until built and approved.

Teacher to confirm: Confirm component order, local timetable and assessment points; current practical methods, equipment and risk controls; the source-bound site-gap extensions; and one genuine collaborative activity with teamwork, communication and shared decisions.

Periods 1–8 | Year 9 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
1	Site/theory	Working safely in the textiles room	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Working safely in the textiles room	Apply planning and organisation skills in the production of textile products	Safety explanation and ten checks; guided response saved. TT5-CDT-01, TT5-SAF-01
2	Practical	Room routines and equipment hold points	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Working safely in the textiles room	Demonstrate safe practices when selecting and using materials, technologies and...	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-MAT-01, TT5-SAF-01
3	Site/theory	Sewing-machine setup and control	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Sewing-machine setup and control	Select and apply construction techniques to develop quality textile products	Machine-control explanation and ten checks; guided response saved. TT5-CDT-01, TT5-SAF-01
4	Practical	Machine control on paper and threading	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Sewing-machine setup and control	Apply ongoing evaluation during the development and production of textile products	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-SAF-01
5	Practical	Machine control on paper and threading	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Sewing-machine setup and control	Develop, refine and demonstrate technical proficiency through textile project work...	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-SAF-01
6	Site/theory	Pincushion practice and reflection	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Pincushion practice and reflection	Apply planning and organisation skills in the production of textile products	Pincushion reflection and ten checks; guided response saved. TT5-CDT-01, TT5-SAF-01
7	Practical	Pincushion practice — mark and cut	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Pincushion practice and reflection	Demonstrate safe practices when selecting and using materials, technologies and...	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-MAT-01, TT5-SAF-01
8	Practical	Pincushion practice — join and control seams	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Pincushion practice and reflection	Select and apply construction techniques to develop quality textile products	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-SAF-01

Periods 9–16 | Year 9 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
9	Practical	Pincushion practice — turn and fill	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Pincushion practice and reflection	Apply ongoing evaluation during the development and production of textile products	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-SAF-01
10	Practical	Pincushion practice — finish and quality check	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Pincushion practice and reflection	Outline features of design inspiration sources used to generate and refine ideas	Dated work sample/photo and teacher observation. TT5-COM-01, TT5-EVL-01
11	Site/theory	Textiles as a design medium	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Textiles as a design medium	Identify and describe different purposes of textile design	Design-purpose explanation and ten checks; guided response saved. TT5-EVL-01, TT5-MAT-01
12	Project/folio	Designer Pyjamas brief and criteria	Start Folio cards: user need and success criteria; identify the authorised task boundaries. Links: Designer Pyjamas folio	Identify textile products created within a range of different textile design areas	Completed brief and criteria cards. TT5-EVL-01, TT5-MAT-01
13	Site/theory	Elements of design	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Elements of design	Identify elements of design, including shape, size, colour, value, line, direction and...	Annotated element examples and ten checks; guided response saved. TT5-COM-01, TT5-EVL-01
14	Practical	Design-element textile sampler	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Elements of design	Identify principles of design, including proportion, balance, rhythm, emphasis, contrast...	Dated work sample/photo and teacher observation. TT5-COM-01, TT5-EVL-01
15	Site/theory	Sources of inspiration and mood boards	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Sources of inspiration and mood boards	Explore elements and principles of design in practical work	Mood-board rationale and ten checks; guided response saved. TT5-COM-01, TT5-EVL-01
16	Project/folio	Mood board and inspiration evidence	Select, caption and reference purposeful inspiration; explain links to the intended user. Links: Designer Pyjamas folio	Investigate a range of design inspiration sources	Inspiration card with captions and source list. TT5-COM-01, TT5-EVL-01

Periods 17–24 | Year 9 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
17	Site/theory	Target markets and nightwear needs	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Target markets and nightwear needs	Investigate how textile designers adapt designs in response to consumer demands	Target-market profile and ten checks; guided response saved. TT5-EVL-01, TT5-MAT-01
18	Site/theory	Reading a commercial pattern	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Reading a commercial pattern	Identify and describe target markets for current and emerging textile designers and...	Pattern-symbol notes and ten checks; guided response saved. TT5-COM-01, TT5-IVT-01
19	Practical	Commercial-pattern handling	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Reading a commercial pattern	Explore how designers use design inspiration sources when developing textile products...	Dated work sample/photo and teacher observation. TT5-COM-01, TT5-EVL-01
20	Site/theory	Developing and selecting design ideas	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Developing and selecting design ideas	Generate textile ideas and concepts for identified needs and diverse purposes	Two concepts and selection rationale; ten checks and response saved. TT5-EVL-01, TT5-MAT-01
21	Project/folio	Concept comparison and selection	Complete two labelled front/back concepts and justify the final direction against criteria. Links: Designer Pyjamas folio	Select and evaluate design inspiration sources for the development of textile projects	Concepts card and design decision. TT5-COM-01, TT5-EVL-01
22	Site/theory	Fibre classification and properties	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Fibre classification and properties	Identify a range of fibres, yarns and fabrics used in the creation of textile projects	Fibre classification and ten checks; guided response saved. TT5-ENV-01, TT5-MAT-01
23	Site/theory	From fibres to yarns	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: From fibres to yarns	Outline differences between natural and synthetic fibre production	Fibre-to-yarn explanation and ten checks; guided response saved. TT5-ENV-01, TT5-MAT-01
24	Site/theory	Woven, knitted and non-woven fabrics	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Woven, knitted and non-woven fabrics	Compare characteristics of yarn types, including staple and filament composition, single...	Structure comparison and ten checks; guided response saved. TT5-ENV-01, TT5-MAT-01

Periods 25–32 | Year 9 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
25	Practical	Fabric structure and end-use investigation	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Woven, knitted and non-woven fabrics	Identify properties and structures of fabrics, including woven, knit and non-woven	Dated work sample/photo and teacher observation. TT5-ENV-01, TT5-MAT-01
26	Site/theory	Construction sequence and technique samples	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Construction sequence and technique samples	Explain how properties of fibres, yarns and fabrics determine their suitability for end...	Sequenced method and ten checks; guided response saved. TT5-ENV-01, TT5-MAT-01
27	Practical	Pattern check and layout	Follow the current teacher demonstration and hold points; record the operation and named quality check. Add a source-bound syllabus extension and named evidence; confirm before delivery. Links: Construction sequence and technique samples	Explore design software and applications to design and generate ideas	Dated work sample/photo and teacher observation. TT5-COM-01, TT5-EVL-01
28	Practical	Accurate marking and cutting	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Construction sequence and technique samples	Apply design and creative thinking to generate ideas using a range of communication...	Dated work sample/photo and teacher observation. TT5-COM-01, TT5-EVL-01
29	Practical	Initial seam sample	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Construction sequence and technique samples	Annotate aesthetic features and functional properties of design ideas	Dated work sample/photo and teacher observation. TT5-COM-01, TT5-EVL-01
30	Practical	Pyjama assembly	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Construction sequence and technique samples	Evaluate and refine design ideas to justify the selection of final textile products...	Dated work sample/photo and teacher observation. TT5-COM-01, TT5-EVL-01
31	Practical	Seam finish and quality	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Construction sequence and technique samples	Explore and experiment with construction techniques to test their suitability for...	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-MAT-01
32	Practical	Waist/fastening process	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Construction sequence and technique samples	Examine fabric characteristics and properties to determine their suitability for textile...	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-MAT-01

Periods 33–40 | Year 9 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
33	Practical	Hem preparation	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Construction sequence and technique samples	Apply planning and organisation skills in the production of textile products	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-SAF-01
34	Site/theory	Resources, equipment and costing	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Resources, equipment and costing	Select, modify and use construction patterns	Real-resource table and ten checks; guided response saved. TT5-CDT-01, TT5-SAF-01
35	Project/folio	Resources, costing and production evidence	Update materials, resources and production-plan cards using actual classroom evidence. Links: Designer Pyjamas folio	Identify and select appropriate fabric and notions for production	Costing/resource table and dated production plan. TT5-CDT-01, TT5-MAT-01, TT5-SAF-01
36	Practical	Hoodie fabric handling	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Construction sequence and technique samples	Interpret pattern instructions, transfer pattern marking and apply pattern layout plans	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-SAF-01
37	Practical	Hoodie seam sample	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Construction sequence and technique samples	Select and apply construction techniques to develop quality textile products	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-SAF-01
38	Practical	Hood/body construction	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Construction sequence and technique samples	Explore and experiment with construction techniques to test their suitability for...	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-MAT-01
39	Practical	Sleeve preparation	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Construction sequence and technique samples	Evaluate experimentation with decorative and construction techniques to determine their...	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-EVL-01, TT5-MAT-01
40	Practical	Sleeve insertion	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Construction sequence and technique samples	Examine fabric characteristics and properties to determine their suitability for textile...	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-MAT-01

Periods 41–48 | Year 9 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
41	Practical	Neck/hood preparation	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Construction sequence and technique samples	Justify the selection of materials used for textile products through testing and...	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-MAT-01
42	Practical	Hood attachment	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Construction sequence and technique samples	Apply planning and organisation skills in the production of textile products	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-SAF-01
43	Practical	Edge finishing	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Construction sequence and technique samples	Demonstrate safe practices when selecting and using materials, technologies and...	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-MAT-01, TT5-SAF-01
44	Practical	Fit and function check	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Construction sequence and technique samples	Identify and select appropriate fabric and notions for production	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-MAT-01, TT5-SAF-01
45	Site/theory	Product labels and evaluation	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Product labels and evaluation	Select, modify and use construction patterns	Label/evaluation response and ten checks saved. TT5-CDT-01, TT5-SAF-01
46	Project/folio	Task 1 folio completion and product record	Complete checkpoints, resources/label and evaluation; prepare the authorised Task 1 folio submission. Links: Designer Pyjamas folio	Interpret pattern instructions, transfer pattern marking and apply pattern layout plans	Task 1 folio checkpoint: Term 2 Week 5 source milestone recorded. TT5-CDT-01, TT5-SAF-01
47	Practical	Final pyjama finishing	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Construction sequence and technique samples	Select and apply construction techniques to develop quality textile products	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-SAF-01
48	Practical	Final hoodie finishing	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Construction sequence and technique samples	Apply ongoing evaluation during the development and production of textile products	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-SAF-01

Periods 49–56 | Year 9 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
49	Practical	Pressing and presentation	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Construction sequence and technique samples	Develop, refine and demonstrate technical proficiency through textile project work...	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-SAF-01
50	Practical	Task 1 practical checkpoint	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Construction sequence and technique samples	Explore and experiment with construction techniques to test their suitability for...	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-MAT-01
51	Site/theory	Fashion eras and historical influence	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Fashion eras and historical influence	Investigate textile designers and textile products from a range of historical periods	Era influence explanation and ten checks; guided response saved. TT5-EVL-01, TT5-IVT-01
52	Project/folio	Fashion-era research question	Select an era and build a reliable research question and source list. Links: Fashion magazine folio	Identify historical and cultural design features to apply as sources of design...	Fashion-era planning notes. TT5-EVL-01, TT5-IVT-01
53	Project/folio	Fashion-era article	Draft a concise article describing characteristic clothing and context. Links: Fashion magazine folio	Investigate reasons textile design practices have changed over time	Draft era article with evidence. TT5-EVL-01, TT5-IVT-01
54	Project/folio	Historical influence comparison	Compare one era feature with a contemporary example and explain the influence. Links: Fashion magazine folio	Identify and describe how historical design features can be applied to contemporary...	Captioned comparison and explanation. TT5-EVL-01, TT5-IVT-01
55	Site/theory	Designer practice and target markets	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Designer practice and target markets	Investigate reasons textile design practices have changed over time	Designer/market analysis and ten checks; guided response saved. TT5-EVL-01, TT5-IVT-01
56	Project/folio	Designer research	Investigate a textile designer's background, location, focus area and recognisable style. Links: Fashion magazine folio	Assess how elements and principles of design feature in the works and collections of...	Designer profile evidence. TT5-COM-01, TT5-EVL-01

Periods 57–64 | Year 9 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
57	Project/folio	Designer interview writing	Write evidence-based interview questions and responses in the designer's professional context. Links: Fashion magazine folio	Evaluate the practices and products of textile designers	Draft designer interview. TT5-COM-01, TT5-EVL-01
58	Project/folio	Target market and brand positioning	Connect materials, styling, quality, price and marketing to the designer's target market. Links: Fashion magazine folio	Compare promotional strategies used by textile designers	Target-market analysis. TT5-COM-01, TT5-IVT-01
59	Site/theory	Magazine research and respectful evidence	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Add a source-bound syllabus extension and named evidence; confirm before delivery. Links: Magazine research and respectful evidence	Investigate how data is used by textile designers and brands to inform textile product...	Caption/reference audit and ten checks; guided response saved. TT5-COM-01, TT5-IVT-01
60	Project/folio	Image captions and ethical use	Caption each image, distinguish source evidence from student interpretation and check respectful use. Links: Fashion magazine folio	Demonstrate safe and ethical practices when using digital design and technological...	Caption and image-source audit. TT5-COM-01, TT5-EVL-01, TT5-SAF-01
61	Project/folio	APA references and page plan	Complete the reference list and plan a readable two-part magazine structure. Links: Learning activity	Use digital design and technological applications to create promotional materials for...	APA list and page map. TT5-COM-01, TT5-IVT-01, TT5-MAT-01
62	Site/theory	Exploring textile-art techniques	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Exploring textile-art techniques	Investigate textile designs and designers that feature creative decorative applications	Technique decision and ten checks; guided response saved. TT5-CDT-01, TT5-COM-01, TT5-EVL-01
63	Practical	Textile-art technique sample — Hand embroidery	Follow the current teacher demonstration and hold points; record the operation and named quality check. Add a source-bound syllabus extension and named evidence; confirm before delivery. Links: Exploring textile-art techniques	Demonstrate safe and ethical practices when accessing and collecting data	Dated work sample/photo and teacher observation. TT5-COM-01, TT5-IVT-01, TT5-SAF-01
64	Practical	Textile-art technique sample — Appliqué	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Exploring textile-art techniques	Demonstrate safe and ethical practices using digital technologies to source information	Dated work sample/photo and teacher observation. TT5-COM-01, TT5-EVL-01, TT5-SAF-01

Periods 65–72 | Year 9 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
65	Practical	Textile-art technique sample — Couching	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Exploring textile-art techniques	Use subject-specific terminology to communicate ideas for textile design/production	Dated work sample/photo and teacher observation. TT5-COM-01, TT5-EVL-01
66	Practical	Textile-art technique sample — Free-motion or machine embroidery	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Exploring textile-art techniques	Investigate and experiment with decorative techniques to enhance textile products in...	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-MAT-01
67	Practical	Textile-art technique sample — Printing/painting	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Exploring textile-art techniques	Select and apply decorative techniques to enhance textile designs	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-SAF-01
68	Practical	Textile-art technique sample — Dyeing/fabric crayons	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Exploring textile-art techniques	Annotate aesthetic features and functional properties of design ideas	Dated work sample/photo and teacher observation. TT5-COM-01, TT5-EVL-01
69	Project/folio	Task 2 submission checkpoint	Proofread, export and submit the two-part magazine using the formal notification. Links: Fashion magazine folio	Evaluate and refine design ideas to justify the selection of final textile products...	Task 2 submitted: Term 3 Week 8 / 12 September 2024 source date. TT5-COM-01, TT5-EVL-01
70	Site/theory	Developing an original garden design	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Developing an original garden design	Generate ideas and concepts for innovative design and technological applications	Original design rationale and ten checks; guided response saved. TT5-COM-01, TT5-EVL-01
71	Project/folio	Textile Art brief and inspiration	Begin the In the Garden folio brief and mood board; retain original, referenced source evidence. Links: Textile Art folio	Investigate and experiment with decorative techniques to enhance textile products in...	Brief and inspiration cards. TT5-CDT-01, TT5-MAT-01
72	Project/folio	Textile Art concept development	Develop two ideas for a maximum 40 × 40 cm artwork and compare strengths and weaknesses. Links: Textile Art folio	Evaluate experimentation with decorative and construction techniques to determine their...	Two labelled concepts. TT5-CDT-01, TT5-EVL-01, TT5-MAT-01

Periods 73–80 | Year 9 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
73	Project/folio	Final design and technique plan	Render the selected design and nominate at least four teacher-approved decoration techniques. Links: Textile Art folio	Create written texts to describe and evaluate design ideas and production processes	Final design and technique plan. TT5-CDT-01, TT5-COM-01, TT5-MAT-01
74	Practical	Textile-art technique sample — Needle felting or approved alternative	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Exploring textile-art techniques	Apply planning and organisation skills in the production of textile products	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-SAF-01
75	Practical	Textile-art technique sample — Technique combination test	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Exploring textile-art techniques	Evaluate experimentation with decorative and construction techniques to determine their...	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-EVL-01, TT5-MAT-01
76	Site/theory	Production drawing, making and evaluation	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Add a teacher-approved collaborative task with team roles, communication and a shared decision; confirm before delivery. Links: Production drawing, making and evaluation	Use collaborative practices in textile design/production, including teamwork...	Production/evaluation explanation and ten checks saved. TT5-CDT-01, TT5-COM-01, TT5-SAF-01
77	Practical	In the Garden production — Transfer production drawing	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Production drawing, making and evaluation	Select and apply decorative techniques to enhance textile designs	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-SAF-01
78	Practical	In the Garden production — Prepare background	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Production drawing, making and evaluation	Apply ongoing evaluation during the development and production of textile products	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-SAF-01
79	Practical	In the Garden production — Apply technique 1	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Production drawing, making and evaluation	Develop, refine and demonstrate technical proficiency through textile project work...	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-SAF-01
80	Practical	In the Garden production — Apply technique 2	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Production drawing, making and evaluation	Investigate textile designs and designers that feature creative decorative applications	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-COM-01, TT5-EVL-01

Periods 81–88 | Year 9 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
81	Practical	In the Garden production — Apply technique 3	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Production drawing, making and evaluation	Generate ideas and concepts for innovative design and technological applications	Dated work sample/photo and teacher observation. TT5-COM-01, TT5-EVL-01
82	Site/theory	Revision across the three areas of study	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Revision across the three areas of study	Evaluate and refine design ideas to justify the selection of final textile products...	Retrieval map and ten checks; guided response saved. TT5-COM-01, TT5-EVL-01
83	Project/folio	Final examination retrieval plan	Build a revision map across Design, Properties and Performance, and Textiles and Society. Links: Theory examination	Use subject-specific terminology to communicate ideas for textile design/production	Completed revision map and corrected retrieval notes. TT5-COM-01, TT5-EVL-01
84	Project/folio	Task 4 final examination	Complete the authorised open-book examination under the formal task conditions. Links: Theory examination	Create written texts to describe and evaluate design ideas and production processes	Task 4 examination evidence: Term 4 Week 4 / 7 November 2024 source date. TT5-CDT-01, TT5-COM-01, TT5-MAT-01
85	Practical	In the Garden production — Apply technique 4	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Production drawing, making and evaluation	Apply ongoing evaluation during the development and production of textile products	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-SAF-01
86	Practical	In the Garden production — Finish and quality check	Follow the current teacher demonstration and hold points; record the operation and named quality check. Links: Production drawing, making and evaluation	Develop, refine and demonstrate technical proficiency through textile project work...	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-SAF-01
87	Site/theory	Final evaluation and portfolio readiness	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Final evaluation and portfolio readiness	Evaluate and refine design ideas to justify the selection of final textile products...	Portfolio audit and ten checks; guided response saved. TT5-COM-01, TT5-EVL-01
88	Project/folio	Task 3 folio and evaluation submission	Complete production evidence and evaluation; submit the authorised In the Garden task. Links: Textile Art folio	Use subject-specific terminology to communicate ideas for textile design/production	Task 3 submitted: Term 4 Week 5 / 14 November 2024 source date. TT5-COM-01, TT5-EVL-01

Periods 89–96 | Year 9 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
89	Site/theory	Textiles as Gifts: a teacher-approved extension	Teach the named site theory. Complete 10 checks and one guided response; correct errors from feedback. Links: Textiles as Gifts: a teacher-approved extension	Generate textile ideas and concepts for identified needs and diverse purposes	Conditional brief and ten checks; guided response saved. TT5-EVL-01, TT5-MAT-01
90	Project/folio	Textiles as Gifts proposal — conditional	Draft a recipient, need and criteria; do not begin making until the teacher approves the controlling brief. Links: Textiles as Gifts folio	Select and evaluate design inspiration sources for the development of textile projects	Teacher-approved proposal or recorded hold point. TT5-COM-01, TT5-EVL-01
91	Practical	Textiles as Gifts — approve brief	Only after teacher approval: follow the demonstration, record the work and complete the named quality check. Links: Textiles as Gifts: a teacher-approved extension	Apply design and creative thinking to generate ideas using a range of communication...	Dated work sample/photo and teacher observation. TT5-COM-01, TT5-EVL-01
92	Practical	Textiles as Gifts — test materials	Only after teacher approval: follow the demonstration, record the work and complete the named quality check. Links: Textiles as Gifts: a teacher-approved extension	Evaluate and refine design ideas to justify the selection of final textile products...	Dated work sample/photo and teacher observation. TT5-COM-01, TT5-EVL-01
93	Practical	Textiles as Gifts — refine design	Only after teacher approval: follow the demonstration, record the work and complete the named quality check. Links: Textiles as Gifts: a teacher-approved extension	Explore and experiment with construction techniques to test their suitability for...	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-MAT-01
94	Practical	Textiles as Gifts — prepare resources	Only after teacher approval: follow the demonstration, record the work and complete the named quality check. Links: Textiles as Gifts: a teacher-approved extension	Evaluate experimentation with decorative and construction techniques to determine their...	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-EVL-01, TT5-MAT-01
95	Practical	Textiles as Gifts — make stage 1	Only after teacher approval: follow the demonstration, record the work and complete the named quality check. Links: Textiles as Gifts: a teacher-approved extension	Create written texts to describe and evaluate design ideas and production processes	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-COM-01, TT5-MAT-01
96	Practical	Textiles as Gifts — make stage 2	Only after teacher approval: follow the demonstration, record the work and complete the named quality check. Links: Textiles as Gifts: a teacher-approved extension	Apply planning and organisation skills in the production of textile products	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-SAF-01

Periods 97–104 | Year 9 to Year 10 audit boundary

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
97	Practical	Textiles as Gifts — quality check	Only after teacher approval: follow the demonstration, record the work and complete the named quality check. Links: Textiles as Gifts: a teacher-approved extension	Demonstrate safe practices when selecting and using materials, technologies and...	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-MAT-01, TT5-SAF-01
98	Practical	Textiles as Gifts — finish	Only after teacher approval: follow the demonstration, record the work and complete the named quality check. Links: Textiles as Gifts: a teacher-approved extension	Identify and select appropriate fabric and notions for production	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-MAT-01, TT5-SAF-01
99	Practical	Textiles as Gifts — evaluate	Only after teacher approval: follow the demonstration, record the work and complete the named quality check. Links: Textiles as Gifts: a teacher-approved extension	Select and apply construction techniques to develop quality textile products	Dated work sample/photo and teacher observation. TT5-CDT-01, TT5-SAF-01
100	Project/folio	Course portfolio, feedback and next steps	Export the folio, check evidence against outcomes, respond to feedback and record one next-learning goal. Links: Project folio	Apply ongoing evaluation during the development and production of textile products	Versioned folio export and final reflection. TT5-CDT-01, TT5-SAF-01
101	Site/theory	Course learning system	Open Section 1.1; read, complete the check and save the response. Links: 1.1 How Year 10 Textiles works	Apply planning and organisation skills in the production of textile products	Knowledge check and saved response TT5-CDT-01, TT5-SAF-01
102	Site/theory	Hazard language	Open Section 1.2; distinguish hazard, risk and control; complete the check and save the textiles-room example. Add a source-bound syllabus extension and named evidence; confirm before delivery. Links: 1.2 Hazards, risks and controls	Identify and apply appropriate standards and codes of practice when designing textile...	Knowledge check and saved response TT5-CDT-01, TT5-SAF-01
103	Project/folio	Readiness audit	Complete the Safety and course-readiness audit; record teacher-confirmed project, submission route and class routines. Links: Project folio · Course page	Identify and apply appropriate standards and codes of practice when designing textile...	Saved folio checkpoint TT5-CDT-01, TT5-SAF-01
104	Practical	Sewing and pressing induction	Module 1, Section 1.3 check and response, then teacher demonstration and supervised start-up/shutdown practice. Links: 1.3 Safe sewing and pressing routines	Justify the selection of materials used for textile products through testing and...	Teacher check and labelled practical evidence TT5-CDT-01, TT5-MAT-01

Periods 105–112 | Year 10 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
105	Practical	Fibre-to-item samples	Module 2, Section 2.1 check and response, then sort labelled fibres, yarns, fabrics and textile items. Add a source-bound syllabus extension and named evidence; confirm before delivery. Links: 2.1 From fibre to textile item	Identify fibres cultivated in Australia for use in textile design/production	Teacher check and labelled practical evidence TT5-ENV-01, TT5-IVT-01, TT5-MAT-01
106	Practical	Fabric structures	Module 2, Section 2.2 check and response, then inspect woven, knitted and non-woven samples, grain and bias. Add a source-bound syllabus extension and named evidence; confirm before delivery. Links: 2.2 Fabric structures	Describe local and global techniques used in the cultivation and processing of fibres	Teacher check and labelled practical evidence TT5-ENV-01, TT5-IVT-01, TT5-MAT-01
107	Practical	Performance testing	Module 2, Section 2.3 check and response, then complete approved comparison tests for end use. Links: 2.3 Properties, performance and end use	Explain the selection and suitability of materials for textile products	Teacher check and labelled practical evidence TT5-ENV-01, TT5-MAT-01
108	Project/folio	Sample evidence	Complete the Textile sample investigation: observations, comparison, suitable end use and evidence-based justification. Links: Project folio · Course page	Explain relationships between textile design, production and sustainable practices	Saved folio checkpoint TT5-ENV-01, TT5-IVT-01
109	Site/theory	Textile life cycles	Open Section 3.1; trace the full life cycle; complete the check and save the explanation. Links: 3.1 Textile life cycles	Evaluate how textile practices have changed over time to improve sustainability	Knowledge check and saved response TT5-ENV-01, TT5-EVL-01, TT5-IVT-01
110	Practical	Life-cycle evidence	Inspect and sort a approved textile item or sample set by material, construction, use, care and end-of-life pathways. Links: Course page	Identify and evaluate sustainable textile materials and practices	Teacher check and labelled practical evidence TT5-ENV-01, TT5-IVT-01, TT5-MAT-01
111	Practical	Fast-fashion waste audit	Module 3, Section 3.2 check and response, then quantify or classify production and post-use textile waste samples. Add a source-bound syllabus extension and named evidence; confirm before delivery. Links: 3.2 Fast fashion and waste	Evaluate sustainable material sourcing practices for textile design/production	Teacher check and labelled practical evidence TT5-ENV-01, TT5-EVL-01, TT5-MAT-01
112	Site/theory	Ethical choices	Open Section 3.3; evaluate an ethical action; complete the check and save how success would be verified. Links: 3.3 Ethical and informed choices	Analyse ethical considerations for local and global textile design/production practices	Knowledge check and saved response TT5-ENV-01, TT5-IVT-01, TT5-SAF-01

Periods 113–120 | Year 10 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
113	Project/folio	Life-cycle investigation	Complete the Module 3 investigation: life-cycle map, waste points, realistic action and evidence measure. Links: Project folio · Course page	Explore ways designers and consumers can influence change in textile design/production...	Saved folio checkpoint TT5-ENV-01, TT5-IVT-01
114	Site/theory	Upcycling pathways	Open Section 4.1; distinguish reuse, recycling and upcycling; complete the check and save textile examples. Add a source-bound syllabus extension and named evidence; confirm before delivery. Links: 4.1 Upcycling, recycling and reuse	Explain how textile designers promote ethical and sustainable design practices	Knowledge check and saved response TT5-COM-01, TT5-IVT-01, TT5-SAF-01
115	Project/folio	Upcycle brief and criteria	Confirm user, need, original item and measurable functional/aesthetic criteria; start the Upcycle folio evidence map. Links: Project folio · Course page	Explore and experiment with construction techniques to test their suitability for...	Saved folio checkpoint TT5-CDT-01, TT5-MAT-01
116	Practical	Material audit	Module 4, Section 4.2 check and response, then inspect seams, closures, grain, usable area, damage and strength. Links: 4.2 Deconstruction and material audit	Deconstruct textile products to identify components and explore creative reuse...	Teacher check and labelled practical evidence TT5-CDT-01, TT5-ENV-01, TT5-SAF-01
117	Practical	Deconstruction	Follow the approved deconstruction sequence; preserve reusable panels, closures and details; photograph a meaningful checkpoint. Links: Course page	Identify and apply sustainable practices and processes for textile design/production	Teacher check and labelled practical evidence TT5-CDT-01, TT5-ENV-01, TT5-SAF-01
118	Practical	Recovered-material trials	Test recovered material, reinforce where authorised and sample a suitable joining or finishing method. Links: Course page	Justify the selection of materials used for textile products through testing and...	Teacher check and labelled practical evidence TT5-CDT-01, TT5-MAT-01
119	Practical	Specifications to production	Module 4, Section 4.3 check and response, then teacher demonstration and first approved production stage. Links: 4.3 Concepts, specifications and production	Apply planning and organisation skills in the production of textile products	Teacher check and labelled practical evidence TT5-CDT-01, TT5-SAF-01
120	Project/folio	Concept generation	Generate three genuinely different concepts and annotate form, function, construction, materials and waste reduction. Links: Project folio · Course page	Analyse ways that textile ideas and products could be modified to improve sustainability	Saved folio checkpoint TT5-COM-01, TT5-ENV-01, TT5-EVL-01

Periods 121–128 | Year 10 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
121	Project/folio	Final concept and plan	Select and justify the final concept; complete production drawing, resources, costing, sequence, criteria and evidence plan. Links: Project folio · Course page	Deconstruct textile products to identify components and explore creative reuse...	Saved folio checkpoint TT5-CDT-01, TT5-ENV-01, TT5-SAF-01
122	Practical	Upcycle production 1	Complete approved marking, cutting and first construction stages; check dimensions and photograph evidence. Links: Course page	Identify and apply sustainable practices and processes for textile design/production	Teacher check and labelled practical evidence TT5-CDT-01, TT5-ENV-01, TT5-SAF-01
123	Practical	Upcycle production 2	Continue construction and decoration; apply a mid-production quality checkpoint and respond to feedback. Links: Course page	Apply ongoing evaluation during the development and production of textile products	Teacher check and labelled practical evidence TT5-CDT-01, TT5-SAF-01
124	Practical	Upcycle finishing	Complete approved finishes, closures, pressing and presentation; test against the stated criteria. Links: Course page	Apply ongoing evaluation during the development and production of textile products	Teacher check and labelled practical evidence TT5-CDT-01, TT5-SAF-01
125	Practical	Practical 1 completion	Final inspection, product photograph and folio evidence check. Submit Practical 1 in Term 1 Week 10 as directed. Links: Practical 1 assessment · Course page	Develop, refine and demonstrate technical proficiency through textile project work...	Teacher check and labelled practical evidence; formal task point TT5-CDT-01, TT5-SAF-01
126	Site/theory	Textiles and culture	Open Section 5.1; analyse function, expression and context; complete check and written response. Add a source-bound syllabus extension and named evidence; confirm before delivery. Links: 5.1 Textiles as expressive and functional media	Identify textile art forms created for expression, communication and Storytelling	Knowledge check and saved response TT5-COM-01, TT5-EVL-01
127	Site/theory	ICIP and respectful design	Open Section 5.2; distinguish research, authority and copying; complete the check and response. Add a source-bound syllabus extension and named evidence; confirm before delivery. Links: 5.2 Indigenous Cultural and Intellectual Property	Describe Aboriginal and Torres Strait Islander textile designer Practices and products	Knowledge check and saved response TT5-COM-01, TT5-EVL-01
128	Site/theory	Case-study analysis	Open Section 5.3; connect evidence, context and influence; complete the check and analysis statement. Add a source-bound syllabus extension and named evidence; confirm before delivery. Links: 5.3 Case studies and design influence	Investigate Aboriginal and Torres Strait Islander customary Practices and outline how...	Knowledge check and saved response TT5-COM-01, TT5-EVL-01

Periods 129–136 | Year 10 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
129	Project/folio	Cultural source register	Select identifiable authoritative sources; record maker/community, function, materials, technique, context and permissions. Add a source-bound syllabus extension and named evidence; confirm before delivery. Links: Project folio · Course page	Explore Aboriginal and Torres Strait Islander material sourcing Practices and describe...	Saved folio checkpoint TT5-COM-01, TT5-EVL-01, TT5-MAT-01
130	Project/folio	Designer case study	Analyse Akira Isogawa or another approved source; separate observation, evidence and inference. Links: Project folio · Course page	Evaluate ethical considerations for the use and appropriation of designs and products	Saved folio checkpoint TT5-COM-01, TT5-EVL-01, TT5-SAF-01
131	Site/theory	Kimono form and context	Open Section 6.1; investigate straight-panel form and context; complete the check and response. Add a source-bound syllabus extension and named evidence; confirm before delivery. Links: 6.1 Kimono form and context	Explore design inspiration sources in the local area to generate textile design ideas...	Knowledge check and saved response TT5-COM-01, TT5-EVL-01
132	Project/folio	Kimono research and moodboard	Create a cited, respectful moodboard; record historical/context evidence and clearly bounded design influence. Links: Project folio · Course page	Apply protocols for designing with respect for Aboriginal and Torres Strait Islander...	Saved folio checkpoint TT5-COM-01, TT5-EVL-01
133	Practical	Decoration sample 1	Module 6, Section 6.2 check and response, then complete one approved colouration/decoration sample and record variables. Links: 6.2 Colouration and decoration	Investigate and evaluate textile practices and describe design features of textile...	Teacher check and labelled practical evidence TT5-EVL-01, TT5-IVT-01
134	Practical	Decoration sample 2	Refine or compare a second sample; evaluate fibre/fabric suitability, scale, edge quality and repeatability. Links: Course page	Evaluate how diverse cultural perspectives may influence the work of textile designers	Teacher check and labelled practical evidence TT5-EVL-01, TT5-IVT-01
135	Site/theory	Pattern and quality	Open Section 6.3; interpret grainline, notches, scale and sequence; complete the check and response. Add a source-bound syllabus extension and named evidence; confirm before delivery. Links: 6.3 Pattern, sequence and quality	Describe elements and principles of design featured in works created by Aboriginal and...	Knowledge check and saved response TT5-COM-01, TT5-EVL-01
136	Project/folio	Assignment slide plan	Plan the required Google Slides sequence, evidence, image credits and APA references against the formal notice. Add a source-bound syllabus extension and named evidence; confirm before delivery. Links: Project folio · Course page	Explore customary and contemporary decorative design Practices developed by Aboriginal...	Saved folio checkpoint TT5-CDT-01, TT5-COM-01, TT5-EVL-01

Periods 137–144 | Year 10 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
137	Project/folio	Mini-kimono design	Complete labelled front/back design, selected materials, technique justification, pattern check and production sequence. Add a source-bound syllabus extension and named evidence; confirm before delivery. Links: Project folio · Course page	Experiment with design software and applications to decorate and manipulate materials...	Saved folio checkpoint TT5-CDT-01, TT5-MAT-01
138	Practical	Mini-kimono layout and cut	Use the approved pattern; check scale, orientation, grain and seam information before cutting. Links: Course page	Annotate aesthetic features and functional properties of design ideas	Teacher check and labelled practical evidence TT5-COM-01, TT5-EVL-01
139	Practical	Mini-kimono construction 1	Follow the approved sequence; construct and press with in-process quality checks and one labelled photograph. Links: Course page	Evaluate and refine design ideas to justify the selection of final textile products...	Teacher check and labelled practical evidence TT5-COM-01, TT5-EVL-01
140	Practical	Mini-kimono construction 2	Continue construction and apply the selected decoration within the approved method and cultural boundary. Links: Course page	Select and apply decorative techniques to enhance textile designs	Teacher check and labelled practical evidence TT5-CDT-01, TT5-SAF-01
141	Practical	Mini-kimono completion	Finish, press and photograph the mini kimono; evaluate quality against the stated criteria. Links: Course page	Evaluate ethical considerations for the use and appropriation of designs and products	Teacher check and labelled practical evidence TT5-COM-01, TT5-EVL-01, TT5-SAF-01
142	Project/folio	Assignment evidence check	Complete analysis, captions, mini-kimono evidence and APA references; peer-check accuracy and respectful attribution. Links: Project folio · Course page	Apply protocols for designing with respect for Aboriginal and Torres Strait Islander...	Saved folio checkpoint TT5-COM-01, TT5-EVL-01
143	Project/folio	Assignment submission	Final criteria and file-access check; submit the Cultural Study in Term 2 Week 7 using the current class direction. Links: Cultural study assignment · Project folio	Investigate and evaluate textile practices and describe design features of textile...	Saved folio checkpoint; formal task point TT5-EVL-01, TT5-IVT-01
144	Site/theory	Furnishing requirements	Open Section 7.1; distinguish aesthetic and functional requirements; complete the check and response. Links: 7.1 Furnishing requirements	Assess the functional requirements of textile products for their intended purpose	Knowledge check and saved response TT5-EVL-01, TT5-MAT-01

Periods 145–152 | Year 10 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
145	Project/folio	Quillow brief and inspiration	Confirm end use, recipient, size and approved design direction; create a labelled inspiration collage. Links: Project folio · Course page	Outline the uses of a range of textile products	Saved folio checkpoint TT5-EVL-01, TT5-MAT-01
146	Practical	Manipulation samples	Module 7, Section 7.2 check and response, then sample approved patchwork/manipulation techniques. Links: 7.2 Manipulation and embellishment samples	Explain functional properties of a range of textile products	Teacher check and labelled practical evidence TT5-EVL-01, TT5-MAT-01
147	Practical	Sample comparison	Compare three samples for appearance, stability, scale, production time and furnishing end use; select one with evidence. Links: Course page	Explain the selection and suitability of materials for textile products	Teacher check and labelled practical evidence TT5-ENV-01, TT5-MAT-01
148	Site/theory	Construction details	Open Section 7.3; connect closures, piping or quilting to function and quality; complete the check and response. Links: 7.3 Closures, piping and production evidence	Explore and experiment with construction techniques to test their suitability for...	Knowledge check and saved response TT5-CDT-01, TT5-MAT-01
149	Project/folio	Quillow final design	Complete two ideas, selected design, three aesthetic and three functional features, drawing and criteria. Links: Project folio · Course page	Investigate and experiment with decorative techniques to enhance textile products in...	Saved folio checkpoint TT5-CDT-01, TT5-MAT-01
150	Practical	Material preparation	Teacher demonstration: fabric preparation and safe rotary-cutter setup. Confirm material list and begin approved cutting. Links: Course page	Evaluate experimentation with decorative and construction techniques to determine their...	Teacher check and labelled practical evidence TT5-CDT-01, TT5-EVL-01, TT5-MAT-01
151	Practical	Quillow production 1	Cut and organise patchwork components; check accuracy and record the first production photograph. Links: Course page	Examine fabric characteristics and properties to determine their suitability for textile...	Teacher check and labelled practical evidence TT5-CDT-01, TT5-MAT-01
152	Practical	Quillow production 2	Construct patchwork units using the approved sequence; check seam consistency and alignment. Links: Course page	Justify the selection of materials used for textile products through testing and...	Teacher check and labelled practical evidence TT5-CDT-01, TT5-MAT-01

Periods 153–160 | Year 10 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
153	Practical	Quillow production 3	Construct the pillow pocket or equivalent approved component; check dimensions and secure construction. Links: Course page	Apply planning and organisation skills in the production of textile products	Teacher check and labelled practical evidence TT5-CDT-01, TT5-SAF-01
154	Practical	Quillow production 4	Assemble layers and wadding using the current teacher demonstration; photograph an evidence checkpoint. Links: Course page	Demonstrate safe practices when selecting and using materials, technologies and...	Teacher check and labelled practical evidence TT5-CDT-01, TT5-MAT-01, TT5-SAF-01
155	Practical	Quillow production 5	Complete approved quilting or securing; check evenness, movement and layer stability. Links: Course page	Identify and select appropriate fabric and notions for production	Teacher check and labelled practical evidence TT5-CDT-01, TT5-MAT-01, TT5-SAF-01
156	Practical	Quillow production 6	Prepare and attach approved binding or edge finish; check corners, joins and durability. Links: Course page	Select, modify and use construction patterns	Teacher check and labelled practical evidence TT5-CDT-01, TT5-SAF-01
157	Practical	Quillow production 7	Construct and check the selected closure or pocket relationship; test safe, reliable operation. Links: Course page	Interpret pattern instructions, transfer pattern marking and apply pattern layout plans	Teacher check and labelled practical evidence TT5-CDT-01, TT5-SAF-01
158	Practical	Quillow production 8	Assemble major components; complete an in-process inspection and correct one identified quality issue. Links: Course page	Select and apply construction techniques to develop quality textile products	Teacher check and labelled practical evidence TT5-CDT-01, TT5-SAF-01
159	Project/folio	Manufacturing specifications	Complete production drawing, costing, construction sequence, product/care label and evidence captions. Links: Project folio · Course page	Apply ongoing evaluation during the development and production of textile products	Saved folio checkpoint TT5-CDT-01, TT5-SAF-01
160	Practical	Quillow quality checkpoint	Check dimensions, alignment, secure stitching, transformation between forms and presentation; photograph results. Links: Course page	Develop, refine and demonstrate technical proficiency through textile project work...	Teacher check and labelled practical evidence TT5-CDT-01, TT5-SAF-01

Periods 161–168 | Year 10 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
161	Practical	Quillow production 9	Continue construction from the approved sequence; teacher checks safe technique and progress. Links: Course page	Identify and describe different purposes of textile design	Teacher check and labelled practical evidence TT5-EVL-01, TT5-MAT-01
162	Practical	Quillow production 10	Refine joins, layers and edges; compare work against aesthetic and functional criteria. Links: Course page	Assess the functional requirements of textile products for their intended purpose	Teacher check and labelled practical evidence TT5-EVL-01, TT5-MAT-01
163	Practical	Quillow production 11	Complete outstanding approved construction and record a labelled problem-solution photograph. Links: Course page	Generate textile ideas and concepts for identified needs and diverse purposes	Teacher check and labelled practical evidence TT5-EVL-01, TT5-MAT-01
164	Practical	Labels and finish	Attach the approved product/care label and swing tag; complete final pressing and presentation. Links: Course page	Explain the selection and suitability of materials for textile products	Teacher check and labelled practical evidence TT5-ENV-01, TT5-MAT-01
165	Practical	Functional testing	Test transformation, closure, durability and stated end-use requirements; record results accurately. Links: Course page	Explore and experiment with construction techniques to test their suitability for...	Teacher check and labelled practical evidence TT5-CDT-01, TT5-MAT-01
166	Project/folio	Quillow evaluation	Complete peer/self evaluation using criteria, labelled evidence, judgement and realistic improvement. Links: Project folio · Course page	Investigate and experiment with decorative techniques to enhance textile products in...	Saved folio checkpoint TT5-CDT-01, TT5-MAT-01
167	Practical	Practical 2 completion	Final inspection, photograph and folio check. Submit Practical 2 in Term 3 Week 7 as directed. Links: Practical 2 assessment · Course page	Evaluate experimentation with decorative and construction techniques to determine their...	Teacher check and labelled practical evidence; formal task point TT5-CDT-01, TT5-EVL-01, TT5-MAT-01
168	Site/theory	Costume communication	Open Section 8.1; analyse silhouette, colour, material and detail; complete the check and response. Add a source-bound syllabus extension and named evidence; confirm before delivery. Links: 8.1 Costume communicates	Describe how innovative textile design can improve accessibility, participation and...	Knowledge check and saved response TT5-EVL-01, TT5-MAT-01

Periods 169–176 | Year 10 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
169	Site/theory	Costume influence	Open Section 8.2; separate historical/cultural evidence from interpretation; complete the check and response. Links: 8.2 Historical, cultural and contemporary influence	Describe aesthetic features of a range of textile products	Knowledge check and saved response TT5-EVL-01, TT5-MAT-01
170	Project/folio	Costume brief and inspiration	Confirm performance context and accessory/item; collect cited inspiration and define communication and function criteria. Links: Project folio · Course page	Investigate and evaluate textile practices and describe design features of textile...	Saved folio checkpoint TT5-EVL-01, TT5-IVT-01
171	Project/folio	Costume design development	Generate and develop ideas; justify materials, notions and techniques; complete management and evidence plans. Links: Project folio · Course page	Evaluate how diverse cultural perspectives may influence the work of textile designers	Saved folio checkpoint TT5-EVL-01, TT5-IVT-01
172	Practical	Costume technique samples	Complete approved construction/decoration samples; compare suitability for movement, appearance and durability. Links: Course page	Identify historical and cultural design features to apply as sources of design...	Teacher check and labelled practical evidence TT5-EVL-01, TT5-IVT-01
173	Practical	Functional costume test	Module 8, Section 8.3 check and response, then test one approved closure, movement or durability requirement. Links: 8.3 Functional costume production	Identify and describe different purposes of textile design	Teacher check and labelled practical evidence TT5-EVL-01, TT5-MAT-01
174	Practical	Costume production 1	Use the approved pattern/plan; mark, cut and begin construction with a quality checkpoint. Links: Course page	Assess the functional requirements of textile products for their intended purpose	Teacher check and labelled practical evidence TT5-EVL-01, TT5-MAT-01
175	Practical	Costume production 2	Continue construction and document a decision, technique or correction with a labelled photograph. Links: Course page	Investigate textile designs and designers that feature creative decorative applications	Teacher check and labelled practical evidence TT5-CDT-01, TT5-COM-01, TT5-EVL-01
176	Practical	Costume production 3	Apply an approved decoration or surface technique and check how it supports character, setting or purpose. Links: Course page	Describe aesthetic features of a range of textile products	Teacher check and labelled practical evidence TT5-EVL-01, TT5-MAT-01

Periods 177–184 | Year 10 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
177	Practical	Costume production 4	Continue construction; check fit, movement, secure fastenings and finish under teacher supervision. Links: Course page	Explain functional properties of a range of textile products	Teacher check and labelled practical evidence TT5-EVL-01, TT5-MAT-01
178	Practical	Costume production 5	Resolve an identified quality issue using teacher feedback; update the production evidence record. Links: Course page	Explore and experiment with construction techniques to test their suitability for...	Teacher check and labelled practical evidence TT5-CDT-01, TT5-MAT-01
179	Site/theory	Testing against criteria	Open Section 10.1; match criteria to fair tests; complete check and save the testing plan. Links: 10.1 Testing against criteria	Evaluate experimentation with decorative and construction techniques to determine their...	Knowledge check and saved response TT5-CDT-01, TT5-EVL-01, TT5-MAT-01
180	Practical	Product testing	Conduct approved tests on a current textile item; control conditions and record observations or measurements. Links: Course page	Apply planning and organisation skills in the production of textile products	Teacher check and labelled practical evidence TT5-CDT-01, TT5-SAF-01
181	Site/theory	Evaluation and improvement	Open Section 10.2; use criterion-evidence-judgement-improvement; complete check and evaluation paragraph. Links: 10.2 Evaluation and improvement	Demonstrate safe practices when selecting and using materials, technologies and...	Knowledge check and saved response TT5-CDT-01, TT5-MAT-01, TT5-SAF-01
182	Site/theory	Exam and folio readiness	Open Section 10.3; complete the check and teacher-confirmed review plan. Links: 10.3 Course review and folio readiness	Select and apply construction techniques to develop quality textile products	Knowledge check and saved response TT5-CDT-01, TT5-SAF-01
183	Site/theory	Formal examination	Complete the one-hour open-book examination in Term 4 Week 3 under the formal notification conditions. Links: Theory examination · Course page	Select and apply decorative techniques to enhance textile designs	Knowledge check and saved response; formal task point TT5-CDT-01, TT5-SAF-01
184	Project/folio	Evaluation evidence	Apply feedback from testing and examination review; complete missing evaluation evidence without changing observed results. Links: Project folio · Course page	Apply ongoing evaluation during the development and production of textile products	Saved folio checkpoint TT5-CDT-01, TT5-SAF-01

Periods 185–192 | Year 10 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
185	Practical	Costume production 6	Resume approved production; complete remaining construction and in-process quality control. Links: Course page	Develop, refine and demonstrate technical proficiency through textile project work...	Teacher check and labelled practical evidence TT5-CDT-01, TT5-SAF-01
186	Practical	Costume production 7	Complete decoration, closures or finishing required by the approved design; record evidence. Links: Course page	Investigate textile designers and textile products from a range of historical periods	Teacher check and labelled practical evidence TT5-EVL-01, TT5-IVT-01
187	Practical	Costume production 8	Test movement, secure fastenings, comfort and stage visibility as applicable; correct one issue. Links: Course page	Identify and describe how historical design features can be applied to contemporary...	Teacher check and labelled practical evidence TT5-EVL-01, TT5-IVT-01
188	Practical	Costume finishing	Complete approved finish, pressing and product/care label or swing tag. Links: Course page	Investigate and evaluate textile practices and describe design features of textile...	Teacher check and labelled practical evidence TT5-EVL-01, TT5-IVT-01
189	Project/folio	Costume evaluation	Complete peer/self evaluation with design evidence, construction evidence, criteria and improvement. Links: Project folio · Course page	Evaluate how diverse cultural perspectives may influence the work of textile designers	Saved folio checkpoint TT5-EVL-01, TT5-IVT-01
190	Practical	Costume final inspection	Photograph and present the completed work; confirm assessment status and submission direction with the teacher. Links: Course page	Identify historical and cultural design features to apply as sources of design...	Teacher check and labelled practical evidence TT5-EVL-01, TT5-IVT-01
191	Site/theory	Textile industry system	Open Section 9.1; map design, production, use and recovery; complete check and written pathway map. Add a source-bound syllabus extension and named evidence; confirm before delivery. Links: 9.1 The textile industry system	Identify textile supply chain systems to assess future development opportunities Explain current challenges that may influence future development of Australian textile... Describe the influence of globalisation on the Australian textile industry	Knowledge check and saved response TT5-ENV-01, TT5-IVT-01
192	Site/theory	Innovation claims	Open Section 9.2; test claim, evidence, benefit and limitation; complete check and written evaluation. Links: 9.2 Innovation and evidence	Discuss emerging opportunities to improve sustainable textile practices Investigate innovative technologies used in textile design/production	Knowledge check and saved response TT5-ENV-01, TT5-IVT-01

Periods 193–200 | Year 10 component

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
193	Practical	Innovation sample test	Conduct a approved comparison or material test linked to an innovation claim; record controlled evidence. Add a source-bound syllabus extension and named evidence; confirm before delivery. Links: Course page	Evaluate adaptive, emerging and innovative textile technologies for specific purposes Investigate the application of innovative sustainable technologies for textile...	Teacher check and labelled practical evidence TT5-COM-01, TT5-ENV-01, TT5-EVL-01, TT5-MAT-01
194	Site/theory	Careers and skills	Open Section 9.3; connect three course skills to a pathway; complete check and written response. Links: 9.3 Pathways and transferable skills	Investigate career opportunities in textile design/production industries	Knowledge check and saved response TT5-ENV-01, TT5-IVT-01
195	Project/folio	Innovation/career case study	Complete the Module 9 case study with reliable sources, evidence, benefit, limitation and pathway link. Add a source-bound syllabus extension and named evidence; confirm before delivery. Links: Project folio · Course page	Investigate community and industry initiatives that promote textile sustainability and...	Saved folio checkpoint TT5-COM-01, TT5-ENV-01, TT5-IVT-01
196	Practical	Negotiated textile investigation	Complete a approved investigation that revisits a genuine material, technique or performance question. Links: Course page	Explore ways designers and consumers can influence change in textile design/production...	Teacher check and labelled practical evidence TT5-ENV-01, TT5-IVT-01
197	Practical	Negotiated project extension	Apply the investigation to a bounded approved improvement, repair, sample or project extension. Links: Course page	Explain relationships between textile design, production and sustainable practices	Teacher check and labelled practical evidence TT5-ENV-01, TT5-IVT-01
198	Project/folio	Whole-course folio audit	Check project records, captions, photographs, test results and evaluations; back up the editable folio file. Links: Project folio · Course page	Evaluate adaptive, emerging and innovative textile technologies for specific purposes	Saved folio checkpoint TT5-EVL-01, TT5-MAT-01
199	Practical	Exhibition preparation	Prepare approved items for display; complete safe handling, final quality checks and evidence labels. Links: Course page	Develop, refine and demonstrate technical proficiency through textile project work...	Teacher check and labelled practical evidence TT5-CDT-01, TT5-SAF-01
200	Practical	Course showcase and reset	Present finished items and evidence, complete final reflection, then follow the approved room reset and storage process. Links: Course page	Apply planning and organisation skills in the production of textile products	Teacher check and labelled practical evidence TT5-CDT-01, TT5-SAF-01
