

Two-year master Teaching Program

2027 planning candidate · school-developed and NESAs-aligned

Course	11–12 Work Studies Stage 6 (CEC) Syllabus (2012)	Scope	Two-year master · 240 indicative hours
Selected syllabus	Work Studies Stage 6 CEC (2012), current	Version / issue	v1.0.0 · 31 August 2026
Planning model	60-minute numbered planning periods · Teacher to confirm	Program relationship	Controls the complete two-year sequence and both yearly members.
Public site	Year-11-12-Work-Studies course candidate	Sign-off	Teacher / Head Teacher review required before classroom use

Official course outcomes

Outcome	Exact official wording
1	investigates a range of work environments
2	examines different types of work and skills for employment
3	analyses employment options and strategies for career management
4	assesses pathways for further education, training and life planning
5	communicates and uses technology effectively
6	applies self-management and teamwork skills
7	utilises strategies to plan, organise and solve problems
8	assesses influences on people's working lives
9	evaluates personal and social influences on individuals and groups

Authority, assessment and confirmation boundary

- This is a school-developed, NESAs-aligned program. It is not described as NESAs-approved.
- The official syllabus controls outcomes, indicative hours, content and prerequisites. Current teacher notifications control formal assessment details.
- The current Year 11 schedule is confirmed from the 2026 booklet: Career Progression Plan 30%, Simulated Application & Workplace Interview 30%, Group Practical Task 40%; components 30% Knowledge and understanding and 70% Skills.
- The current Year 12 assessment schedule was not located. Dates, task names, weightings, outcomes and submission conditions remain Teacher to confirm; 2025 material is historical context only.
- The Year 11 module and hour sequence is a source-safe 120-hour candidate and remains Teacher to confirm as the school sequence.
- The Year 12 module and hour sequence is a source-safe 120-hour candidate and remains Teacher to confirm as the school sequence.

Teacher to confirm before use: TTC-01 Confirm the school is delivering the two-year 2-unit 240-hour pattern.; TTC-02 Confirm the proposed Year 11 and Year 12 module/hour allocation and school sequence.; TTC-03 Confirm actual lesson length, timetable, term dates and calendar placement; the documents currently use one 60-minute planning period per indicative hour.; TTC-04 Provide and confirm the current Year 12 assessment schedule, notifications, dates, weightings and mapped outcomes.; TTC-05 Confirm any approved Team Enterprise Project brief, facilities, resources, risk controls and supervision arrangements.; TTC-06 Confirm Module 10 workplace-experience use and complete every required approval, placement, documentation, local WHS and supervision requirement.; TTC-07 Confirm whether a School-Developed Module is required; provide its controlling local content before inclusion.

Teaching sequence · periods 1–8

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
1	Site/theory	C00-S01 · Work in contemporary Australia: Establish the idea	Introduce the learning intention, success criteria and prior-knowledge question. Module theory	Transition from school to work: work phases, current skills and interests, life and career goals, planning and pathways.	Initial notes and one question for clarification. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
2	Site/theory	C00-S01 · Work in contemporary Australia: Explain the first relationship	Teach the first syllabus relationship using the named theory section. Module theory	Work–life balance and the time required to progress through pathways.	Concise notes using key vocabulary. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
3	Site/theory	C00-S01 · Work in contemporary Australia: Explain the second relationship	Teach the next syllabus relationship and connect it to the first. Module theory	Transition from school to work: work phases, current skills and interests, life and career goals, planning and pathways.	Cause-and-effect or comparison record. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
4	Site/theory	C00-S01 · Work in contemporary Australia: Analyse the worked example	Model how evidence supports a workplace, pathway or financial decision. Module theory	Work–life balance and the time required to progress through pathways.	Annotated worked example. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
5	Site/theory	C00-S01 · Work in contemporary Australia: Examine the learning visual	Use the section visual and media alternative to notice, explain and question evidence. Module theory	Transition from school to work: work phases, current skills and interests, life and career goals, planning and pathways.	Three evidence-based observations. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
6	Project/folio	C00-S01 · Work in contemporary Australia: Plan an application	Read the Applied Learning Activity and plan roles, sources, criteria or a decision process. Module theory	Work–life balance and the time required to progress through pathways.	Activity plan or evidence checklist. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
7	Project/folio	C00-S01 · Work in contemporary Australia: Complete the application	Complete the source-safe activity or simulation and record the resulting evidence. Module theory	Transition from school to work: work phases, current skills and interests, life and career goals, planning and pathways.	Saved activity product or decision record. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
8	Project/folio	C00-S01 · Work in contemporary Australia: Use feedback	Compare work with the section success criteria, seek feedback and make one justified improvement. Module theory	Work–life balance and the time required to progress through pathways.	Revision note explaining the change. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence

Teaching sequence · periods 9–16

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
9	Site/theory	C00-S01 · Work in contemporary Australia: Check understanding	Complete the section's 10-question knowledge check and correct misconceptions using feedback. Module theory	Transition from school to work: work phases, current skills and interests, life and career goals, planning and pathways.	Ten responses reviewed with feedback. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
10	Project/folio	C00-S01 · Work in contemporary Australia: Construct evidence	Plan, draft and improve the higher-order long response; save or export it to the folio. Module theory	Work–life balance and the time required to progress through pathways.	Long response checked against success criteria. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
11	Site/theory	C00-S02 · Self-knowledge, pathways and career decisions: Establish the idea	Introduce the learning intention, success criteria and prior-knowledge question. Module theory	Employment and educational opportunities and relationships between education, work and standard of living.	Initial notes and one question for clarification. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
12	Site/theory	C00-S02 · Self-knowledge, pathways and career decisions: Explain the first relationship	Teach the first syllabus relationship using the named theory section. Module theory	Assessing achievements, workplace skills, personal attributes, interests and future aspirations.	Concise notes using key vocabulary. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
13	Site/theory	C00-S02 · Self-knowledge, pathways and career decisions: Explain the second relationship	Teach the next syllabus relationship and connect it to the first. Module theory	Employment and educational opportunities and relationships between education, work and standard of living.	Cause-and-effect or comparison record. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
14	Site/theory	C00-S02 · Self-knowledge, pathways and career decisions: Analyse the worked example	Model how evidence supports a workplace, pathway or financial decision. Module theory	Assessing achievements, workplace skills, personal attributes, interests and future aspirations.	Annotated worked example. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
15	Site/theory	C00-S02 · Self-knowledge, pathways and career decisions: Examine the learning visual	Use the section visual and media alternative to notice, explain and question evidence. Module theory	Employment and educational opportunities and relationships between education, work and standard of living.	Three evidence-based observations. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
16	Project/folio	C00-S02 · Self-knowledge, pathways and career decisions: Plan an application	Read the Applied Learning Activity and plan roles, sources, criteria or a decision process. Module theory	Assessing achievements, workplace skills, personal attributes, interests and future aspirations.	Activity plan or evidence checklist. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence

Teaching sequence · periods 17–24

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
17	Project/folio	C00-S02 · Self-knowledge, pathways and career decisions: Complete the application	Complete the source-safe activity or simulation and record the resulting evidence. Module theory	Employment and educational opportunities and relationships between education, work and standard of living.	Saved activity product or decision record. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
18	Project/folio	C00-S02 · Self-knowledge, pathways and career decisions: Use feedback	Compare work with the section success criteria, seek feedback and make one justified improvement. Module theory	Assessing achievements, workplace skills, personal attributes, interests and future aspirations.	Revision note explaining the change. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
19	Site/theory	C00-S02 · Self-knowledge, pathways and career decisions: Check understanding	Complete the section's 10-question knowledge check and correct misconceptions using feedback. Module theory	Employment and educational opportunities and relationships between education, work and standard of living.	Ten responses reviewed with feedback. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
20	Project/folio	C00-S02 · Self-knowledge, pathways and career decisions: Construct evidence	Plan, draft and improve the higher-order long response; save or export it to the folio. Module theory	Assessing achievements, workplace skills, personal attributes, interests and future aspirations.	Long response checked against success criteria. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
21	Site/theory	C00-S03 · Managing change and building a sustainable working life: Establish the idea	Introduce the learning intention, success criteria and prior-knowledge question. Module theory	Career-plan elements and supports, including networks, qualifications, workplace skills and community or workplace learning.	Initial notes and one question for clarification. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
22	Site/theory	C00-S03 · Managing change and building a sustainable working life: Explain the first relationship	Teach the first syllabus relationship using the named theory section. Module theory	Implementing, monitoring and revising a career plan; job-application records, portfolio evidence and an appropriate online profile.	Concise notes using key vocabulary. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
23	Site/theory	C00-S03 · Managing change and building a sustainable working life: Explain the second relationship	Teach the next syllabus relationship and connect it to the first. Module theory	Career-plan elements and supports, including networks, qualifications, workplace skills and community or workplace learning.	Cause-and-effect or comparison record. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
24	Site/theory	C00-S03 · Managing change and building a sustainable working life: Analyse the worked example	Model how evidence supports a workplace, pathway or financial decision. Module theory	Implementing, monitoring and revising a career plan; job-application records, portfolio evidence and an appropriate online profile.	Annotated worked example. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence

Teaching sequence · periods 25–32

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
25	Site/theory	C00-S03 · Managing change and building a sustainable working life: Examine the learning visual	Use the section visual and media alternative to notice, explain and question evidence. Module theory	Career-plan elements and supports, including networks, qualifications, workplace skills and community or workplace learning.	Three evidence-based observations. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
26	Project/folio	C00-S03 · Managing change and building a sustainable working life: Plan an application	Read the Applied Learning Activity and plan roles, sources, criteria or a decision process. Module theory	Implementing, monitoring and revising a career plan; job-application records, portfolio evidence and an appropriate online profile.	Activity plan or evidence checklist. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
27	Project/folio	C00-S03 · Managing change and building a sustainable working life: Complete the application	Complete the source-safe activity or simulation and record the resulting evidence. Module theory	Career-plan elements and supports, including networks, qualifications, workplace skills and community or workplace learning.	Saved activity product or decision record. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
28	Project/folio	C00-S03 · Managing change and building a sustainable working life: Use feedback	Compare work with the section success criteria, seek feedback and make one justified improvement. Module theory	Implementing, monitoring and revising a career plan; job-application records, portfolio evidence and an appropriate online profile.	Revision note explaining the change. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
29	Site/theory	C00-S03 · Managing change and building a sustainable working life: Check understanding	Complete the section's 10-question knowledge check and correct misconceptions using feedback. Module theory	Career-plan elements and supports, including networks, qualifications, workplace skills and community or workplace learning.	Ten responses reviewed with feedback. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
30	Project/folio	C00-S03 · Managing change and building a sustainable working life: Construct evidence	Plan, draft and improve the higher-order long response; save or export it to the folio. Module theory	Implementing, monitoring and revising a career plan; job-application records, portfolio evidence and an appropriate online profile.	Long response checked against success criteria. Outcomes 1, 2, 3, 4, 5, 6, 7, 8, 9. Knowledge check and evidence
31	Site/theory	M01-S01 · Workplace structures, roles and relationships: Establish the idea	Introduce the learning intention and explain the section's central idea in plain language. Module theory	Employers' expectations, positive employee behaviours, organisational structure and workplace protocols.	Initial notes and one question for clarification. Outcomes 1, 2, 3, 4, 5, 6, 8. Knowledge check and evidence
32	Site/theory	M01-S01 · Workplace structures, roles and relationships: Analyse an example	Model the worked example; students identify the evidence, relationship or decision that matters. Module theory	Types of employment and employment contracts, including awards, enterprise agreements and individual contracts.	Annotated example or brief comparison. Outcomes 1, 2, 3, 4, 5, 6, 8. Knowledge check and evidence

Teaching sequence · periods 33–40

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
33	Project/folio	M01-S01 · Workplace structures, roles and relationships: Apply the idea	Complete the linked Applied Learning Activity and record a reasoned decision or product. Module theory	Employers' expectations, positive employee behaviours, organisational structure and workplace protocols.	Saved activity evidence and reflection. Outcomes 1, 2, 3, 4, 5, 6, 8. Knowledge check and evidence
34	Site/theory	M01-S01 · Workplace structures, roles and relationships: Check understanding	Complete the section's 10-question knowledge check; use feedback to correct reasoning. Module theory	Types of employment and employment contracts, including awards, enterprise agreements and individual contracts.	Ten responses reviewed with feedback. Outcomes 1, 2, 3, 4, 5, 6, 8. Knowledge check and evidence
35	Project/folio	M01-S01 · Workplace structures, roles and relationships: Construct evidence	Plan, draft and improve the section's higher-order long response; save or export it. Module theory	Employers' expectations, positive employee behaviours, organisational structure and workplace protocols.	Long response checked against success criteria. Outcomes 1, 2, 3, 4, 5, 6, 8. Knowledge check and evidence
36	Site/theory	M01-S02 · Rights, responsibilities and safe participation: Establish the idea	Introduce the learning intention and explain the section's central idea in plain language. Module theory	Employers' responsibilities for wages, conditions, safe and healthy systems of work, workers compensation, lawful dismissal and union choice.	Initial notes and one question for clarification. Outcomes 1, 2, 3, 4, 5, 6, 8. Knowledge check and evidence
37	Site/theory	M01-S02 · Rights, responsibilities and safe participation: Analyse an example	Model the worked example; students identify the evidence, relationship or decision that matters. Module theory	Employees' responsibilities to follow lawful instructions, meet attendance requirements, work competently and comply with WHS and anti-discrimination requirements.	Annotated example or brief comparison. Outcomes 1, 2, 3, 4, 5, 6, 8. Knowledge check and evidence
38	Project/folio	M01-S02 · Rights, responsibilities and safe participation: Apply the idea	Complete the linked Applied Learning Activity and record a reasoned decision or product. Module theory	Employers' responsibilities for wages, conditions, safe and healthy systems of work, workers compensation, lawful dismissal and union choice.	Saved activity evidence and reflection. Outcomes 1, 2, 3, 4, 5, 6, 8. Knowledge check and evidence
39	Site/theory	M01-S02 · Rights, responsibilities and safe participation: Check understanding	Complete the section's 10-question knowledge check; use feedback to correct reasoning. Module theory	Employees' responsibilities to follow lawful instructions, meet attendance requirements, work competently and comply with WHS and anti-discrimination requirements.	Ten responses reviewed with feedback. Outcomes 1, 2, 3, 4, 5, 6, 8. Knowledge check and evidence
40	Project/folio	M01-S02 · Rights, responsibilities and safe participation: Construct evidence	Plan, draft and improve the section's higher-order long response; save or export it. Module theory	Employers' responsibilities for wages, conditions, safe and healthy systems of work, workers compensation, lawful dismissal and union choice.	Long response checked against success criteria. Outcomes 1, 2, 3, 4, 5, 6, 8. Knowledge check and evidence

Teaching sequence · periods 41–48

Module theory	Working with internal and external customers and appropriate use of workplace and industry-specific technology.	Annotated example or brief comparison. Outcomes 1, 2, 5, 6, 7, 8, 9. Knowledge check and evidence
68	Project/folio	M03-S02 · Professional spoken, written and digital communication: Apply the idea	Complete the linked Applied Learning Activity and record a reasoned decision or product. Module theory	Body language, personal space, presentation and sensitivity to others.	Saved activity evidence and reflection. Outcomes 1, 2, 5, 6, 7, 8, 9. Knowledge check and evidence
69	Site/theory	M03-S02 · Professional spoken, written and digital communication: Check understanding	Complete the section's 10-question knowledge check; use feedback to correct reasoning. Module theory	Working with internal and external customers and appropriate use of workplace and industry-specific technology.	Ten responses reviewed with feedback. Outcomes 1, 2, 5, 6, 7, 8, 9. Knowledge check and evidence
70	Project/folio	M03-S02 · Professional spoken, written and digital communication: Construct evidence	Plan, draft and improve the section's higher-order long response; save or export it. Module theory	Body language, personal space, presentation and sensitivity to others.	Long response checked against success criteria. Outcomes 1, 2, 5, 6, 7, 8, 9. Knowledge check and evidence
71	Site/theory	M03-S03 · Feedback, conflict and communication repair: Establish the idea	Introduce the learning intention and explain the section's central idea in plain language. Module theory	Negotiation: priorities, common ground, concessions, consensus and confirming agreement.	Initial notes and one question for clarification. Outcomes 1, 2, 5, 6, 7, 8, 9. Knowledge check and evidence
72	Site/theory	M03-S03 · Feedback, conflict and communication repair: Analyse an example	Model the worked example; students identify the evidence, relationship or decision that matters. Module theory	Customer complaints, resolution protocols and inappropriate uses of communication technology.	Annotated example or brief comparison. Outcomes 1, 2, 5, 6, 7, 8, 9. Knowledge check and evidence

Teaching sequence · periods 73–80

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
73	Project/folio	M03-S03 · Feedback, conflict and communication repair: Apply the idea	Complete the linked Applied Learning Activity and record a reasoned decision or product. Module theory	Negotiation: priorities, common ground, concessions, consensus and confirming agreement.	Saved activity evidence and reflection. Outcomes 1, 2, 5, 6, 7, 8, 9. Knowledge check and evidence
74	Site/theory	M03-S03 · Feedback, conflict and communication repair: Check understanding	Complete the section's 10-question knowledge check; use feedback to correct reasoning. Module theory	Customer complaints, resolution protocols and inappropriate uses of communication technology.	Ten responses reviewed with feedback. Outcomes 1, 2, 5, 6, 7, 8, 9. Knowledge check and evidence
75	Project/folio	M03-S03 · Feedback, conflict and communication repair: Construct evidence	Plan, draft and improve the section's higher-order long response; save or export it. Module theory	Negotiation: priorities, common ground, concessions, consensus and confirming agreement.	Long response checked against success criteria. Outcomes 1, 2, 5, 6, 7, 8, 9. Knowledge check and evidence
76	Site/theory	M04-S01 · Team roles, trust and shared goals: Establish the idea	Introduce the learning intention, success criteria and prior-knowledge question. Module theory	Characteristics of effective team members: shared goals, collaboration, communication, feedback and cross-cultural understanding.	Initial notes and one question for clarification. Outcomes 3, 5, 6, 7, 8, 9. Knowledge check and evidence
77	Site/theory	M04-S01 · Team roles, trust and shared goals: Explain the first relationship	Teach the first syllabus relationship using the named theory section. Module theory	Behaviours of difficult team members and strategies to address their effects on team performance.	Concise notes using key vocabulary. Outcomes 3, 5, 6, 7, 8, 9. Knowledge check and evidence
78	Site/theory	M04-S01 · Team roles, trust and shared goals: Explain the second relationship	Teach the next syllabus relationship and connect it to the first. Module theory	Characteristics of effective team members: shared goals, collaboration, communication, feedback and cross-cultural understanding.	Cause-and-effect or comparison record. Outcomes 3, 5, 6, 7, 8, 9. Knowledge check and evidence
79	Site/theory	M04-S01 · Team roles, trust and shared goals: Analyse the worked example	Model how evidence supports a workplace, pathway or financial decision. Module theory	Behaviours of difficult team members and strategies to address their effects on team performance.	Annotated worked example. Outcomes 3, 5, 6, 7, 8, 9. Knowledge check and evidence
80	Site/theory	M04-S01 · Team roles, trust and shared goals: Examine the learning visual	Use the section visual and media alternative to notice, explain and question evidence. Module theory	Characteristics of effective team members: shared goals, collaboration, communication, feedback and cross-cultural understanding.	Three evidence-based observations. Outcomes 3, 5, 6, 7, 8, 9. Knowledge check and evidence

Teaching sequence · periods 81–88

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
81	Project/folio	M04-S01 · Team roles, trust and shared goals: Plan an application	Read the Applied Learning Activity and plan roles, sources, criteria or a decision process. Module theory	Behaviours of difficult team members and strategies to address their effects on team performance.	Activity plan or evidence checklist. Outcomes 3, 5, 6, 7, 8, 9. Knowledge check and evidence
82	Project/folio	M04-S01 · Team roles, trust and shared goals: Complete the application	Complete the source-safe activity or simulation and record the resulting evidence. Module theory	Characteristics of effective team members: shared goals, collaboration, communication, feedback and cross-cultural understanding.	Saved activity product or decision record. Outcomes 3, 5, 6, 7, 8, 9. Knowledge check and evidence
83	Project/folio	M04-S01 · Team roles, trust and shared goals: Use feedback	Compare work with the section success criteria, seek feedback and make one justified improvement. Module theory	Behaviours of difficult team members and strategies to address their effects on team performance.	Revision note explaining the change. Outcomes 3, 5, 6, 7, 8, 9. Knowledge check and evidence
84	Site/theory	M04-S01 · Team roles, trust and shared goals: Check understanding	Complete the section's 10-question knowledge check and correct misconceptions using feedback. Module theory	Financial and legal commitments and strategies to minimise avoidable costs and problems.	Cause-and-effect or comparison record. Outcomes 2, 3, 5, 6, 7, 8, 9. Knowledge check and evidence
144	Site/theory	M05-S03 · Adapting plans across changing life stages: Analyse the worked example	Model how evidence supports a workplace, pathway or financial decision. Module theory	Changes in the work environment, including restructure, redundancy, closure, technology and regulation, and ways individuals can cope.	Annotated worked example. Outcomes 2, 3, 5, 6, 7, 8, 9. Knowledge check and evidence

Teaching sequence · periods 145–152

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
14 5	Site/theory	M05-S03 · Adapting plans across changing life stages: Examine the learning visual	Use the section visual and media alternative to notice, explain and question evidence. Module theory	Financial and legal commitments and strategies to minimise avoidable costs and problems.	Three evidence-based observations. Outcomes 2, 3, 5, 6, 7, 8, 9. Knowledge check and evidence
14 6	Project/folio	M05-S03 · Adapting plans across changing life stages: Plan an application	Read the Applied Learning Activity and plan roles, sources, criteria or a decision process. Module theory	Changes in the work environment, including restructure, redundancy, closure, technology and regulation, and ways individuals can cope.	Activity plan or evidence checklist. Outcomes 2, 3, 5, 6, 7, 8, 9. Knowledge check and evidence
14 7	Project/folio	M05-S03 · Adapting plans across changing life stages: Complete the application	Complete the source-safe activity or simulation and record the resulting evidence. Module theory	Financial and legal commitments and strategies to minimise avoidable costs and problems.	Saved activity product or decision record. Outcomes 2, 3, 5, 6, 7, 8, 9. Knowledge check and evidence
14 8	Project/folio	M05-S03 · Adapting plans across changing life stages: Use feedback	Compare work with the section success criteria, seek feedback and make one justified improvement. Module theory	Changes in the work environment, including restructure, redundancy, closure, technology and regulation, and ways individuals can cope.	Revision note explaining the change. Outcomes 2, 3, 5, 6, 7, 8, 9. Knowledge check and evidence
14 9	Site/theory	M05-S03 · Adapting plans across changing life stages: Check understanding	Complete the section's 10-question knowledge check and correct misconceptions using feedback. Module theory	Financial and legal commitments and strategies to minimise avoidable costs and problems.	Ten responses reviewed with feedback. Outcomes 2, 3, 5, 6, 7, 8, 9. Knowledge check and evidence
15 0	Project/folio	M05-S03 · Adapting plans across changing life stages: Construct evidence	Plan, draft and improve the higher-order long response; save or export it to the folio. Module theory	Changes in the work environment, including restructure, redundancy, closure, technology and regulation, and ways individuals can cope.	Long response checked against success criteria. Outcomes 2, 3, 5, 6, 7, 8, 9. Knowledge check and evidence
15 1	Site/theory	M06-S01 · Pay, tax, superannuation and records: Establish the idea	Introduce the learning intention, success criteria and prior-knowledge question. Module theory	Understanding a pay advice statement: wage rate, hours, gross income, tax, net income, superannuation and deductions.	Initial notes and one question for clarification. Outcomes 4, 5, 7, 8, 9. Knowledge check and evidence
15 2	Site/theory	M06-S01 · Pay, tax, superannuation and records: Explain the first relationship	Teach the first syllabus relationship using the named theory section. Module theory	Managing bank and superannuation accounts and the documentation and calculations involved in a tax return.	Concise notes using key vocabulary. Outcomes 4, 5, 7, 8, 9. Knowledge check and evidence

Teaching sequence · periods 153–160

P	Type	Focus	Teaching and learning	Syllabus content	Evidence / outcomes
153	Site/theory	M06-S01 · Pay, tax, superannuation and records: Explain the second relationship	Teach the next syllabus relationship and connect it to the first. Module theory	Understanding a pay advice statement: wage rate, hours, gross income, tax, net income, superannuation and deductions.	Cause-and-effect or comparison record. Outcomes 4, 5, 7, 8, 9. Knowledge check and evidence
154	Site/theory	M06-S01 · Pay, tax, superannuation and records: Analyse the worked example	Model how evidence supports a workplace, pathway or financial decision. Module theory	Managing bank and superannuation accounts and the documentation and calculations involved in a tax return.	Annotated worked example. Outcomes 4, 5, 7, 8, 9. Knowledge check and evidence
155	Site/theory	M06-S01 · Pay, tax, superannuation and records: Examine the learning visual	Use the section visual and media alternative to notice, explain and question evidence.
